Disclaimer

Career Advising & Development exerts all reasonable effort to check the legitimacy of employers and validity of posted jobs and internships. However, due to the volume of job postings received, CAD is unable to fully research the legitimacy and validity of each organization or person that posts a job vacancy or to guarantee that all jobs are still available. A job posting does not constitute an endorsement or recommendation on behalf of Le Moyne College.

It is the responsibility of each individual job seeker to research the integrity of the organization(s) to which they are applying and verify the specific information pertaining to the job posting. Job seekers should exercise due diligence and use common sense and caution when applying or accepting any position.

For your privacy and protection when applying to a job online, it is advisable that you do not give your social security number to a prospective employer, provide credit card or bank account information, or perform any sort of monetary transaction.
